

ELECTRONICS GUIDE FOR USA & UK PASSENGERS

Mobile Phones

Cameras

Tablets

Laptops

Devices bigger than your mobile phones are **not allowed** to be carried on board.

WE HAVE PREPARED 2 OPTIONS FOR YOU!

LOCAL PASSENGERS

OPTION 1

a

if you wish to use your devices until the last moment, you can check it at the gate of your flight

b

after a routine control, our ground personnel will check it by filling out a form at the gate

c

they will then seal it in front of you in a safe box

d

it will then be safely stored on the plane apart from your luggage

e

after your delightful journey, you will go through passport control

f

our ground personnel will be waiting for you at carousel to return your device in exchange for the form

OPTION 2

a

if you want to take your electronics with you on your journey

b

you can check your electronics with your luggage at the check-in counters on the plane

*we do not take any responsibility for your electronics that are damaged or stolen during this process
